

EPA VIRTUAL HEARING ON PRIMACY

THE EPA HAS OPENED A RULEMAKING TO GRANT CLASS VI PRIMACY TO THE RAILROAD COMMISSION OF TEXAS.

Virtual Public Hearing
July 24th, 2025
5-8PM CST

**PROTECT OUR
GROUNDWATER!**

Learn more
about CCS and
register to speak
at the hearing!

Without responsible oversight, carbon storage in Texas can lead to:

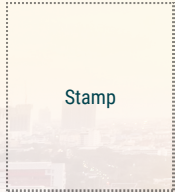

- Leaks
- Manmade earthquakes
- Sinkholes
- Geyser-like blowouts
- Permanent contamination of groundwater

Tell the EPA we OPPOSE Class VI primacy for the Railroad Commission at their virtual public hearing.

SEE YOU THERE!
